

# Early Literacy Station™

Opening the Door to A Lifetime of Learning

## An Educational Solution that puts YOU in control

In addition to the highest quality educational software, every Early Literacy Station™ is designed to anticipate your every requirement. Teachers appreciate the Dynamic Access Control over content and curriculum planning. Librarians like the Time & Session Management and On-line Utilization Reporting. AWE listens and that means you benefit from years of customer feedback and recommendations. These outstanding features include:

### *ESPECIALLY FOR LIBRARIES AND OTHER PUBLIC ACCESS ORGANIZATIONS:*

#### Time and Session Management Help Them Take Turns

- Set time limits during busy times of the day (you control the duration);
- Use the honor system or require a password to begin a session;
- Choose unlimited sessions when no one is waiting; and
- Set an Inactivity Timeout to end unused sessions.

#### Manage Print Costs – Avoid Waste

- Enable or disable printing;
- Set page limits for any printout;
- Set limits on total number of pages printed by session;
- Require a password to print at all; and
- Use a password to override predefined limits, case-by-case.

#### Protect Children's Privacy via the Application Data Management Facility

- Clear out data such as user names;
- Erase application progress;
- Reset data with real time requests; and
- Schedule regular daily, weekly, monthly, or every session resets.

# Early Literacy Station™

Opening the Door to A Lifetime of Learning

## Customize your Early Literacy Stations™ Content for the Situation

- Your Early Literacy Station™ can be a Math Workstation for Math Mondays, Reading Only at Saturday Story Times, or a Science Station on Science Fridays.
- Do you have Kindergarten classes coming on Tuesday? You can customize your Early Literacy Station™ to offer only age-appropriate titles with a few simple mouse clicks!

## Track and Report Utilization (Know how your Early Literacy Stations™ are used)

- Consolidate statistics across learning stations and locations via your secure AWE Customer Portal Page;
- View your organizations' utilization machine-by-machine, consolidated, at a summary level or broken out however you choose by software title, location, and time frame at a level of detail that you control; and
- Compare your utilization with other organizations in your state or nationally.

## Ease Housekeeping Chores via a huge variety of features

- Transfer Administrative Settings between Early Literacy Stations™ to standardize configurations;
- Set the system to turn itself on and off (Automatic System Startup - weekdays or every day and Automatic Shutdown - controls times daily and warning message);
- Set System Time, Date and Volume Controls; and
- Manage Passwords.

## Display Custom Messages, Logos, and/or Pictures with the Screen Saver

- It's all your choice under your control!
- Select your own screen saver, scrolling text, or allow the default to random screen-shot images of the included software titles.

## *ESPECIALLY FOR SCHOOLS, HEADSTART AND CHILD CARE ORGANIZATIONS:*

## Direct Student Learning with "Defined Content Selection"

- Select subject content to correspond with lesson plans and student focus by student by date;
- Limit the available educational titles to age-appropriate ones for your current class group; and
- Customize the Early Literacy Station™ offerings in any way you see fit.

## Track Student Progress and Activity

- Track use by student ("Kids' Sign-on") – they just click on their name or photo in order to sign on;
- Produce an Activity Report for each child using your Early Literacy Station™ - send it home; and
- Tap into hidden assessments stored by student.

## Save and Retrieve Saved Data

- Kid's can take their work home or to their library to continue working. Insert a USB Memory Stick and the system will offer to save / or retrieve homework and those art masterpieces automatically for transport!
